MARKETING

Frozen chocolate chocolate chip muffin batter in a 18 lb pail. The thaw, scoop and bake format allows operators to bake large or small batches of several flavors, minimizing product waste from unused batter. The 18 lb pail packaging helps decrease the labor and time needed to produce fresh baked muffins. This type of packaging is well-suited for high volume operations. Pillsbury muffin batter is formulated to produce tender and moist muffins consistently. Batters contain no artificial flavors, no colors from artificial sources and are PHO free.
