Clean, allergy-friendly, plant-based Brie that doesn't taste vegan. It has a true rind similar to the dairy equivalent and can be paired with wine or placed on a charcuterie board. Creamy, with lots of complexity from our custom culture blend.

SERVING SUGGESTIONS

This cheese is perfect for special occasions like date nights, dinner parties, and picnics. It shines on a charcuterie board and is one of the very few vegan cheeses that can be paired with wine. It can also be baked for a brie en croute, added to baguettes for a delish sandwich, or served with crackers and jam.
