

23569 - Gouda Block

The cheese is named after the Dutch city of Gouda, not because it is produced in or near the city, but because it has historically been traded there. Our Gouda is made with part-skim milk. It has a light buttery, nutty flavor and a smooth firm texture. It's great sliced on sandwiches, shredded on baked dishes or cubed in salads and vegetable dishes.

PREPARATION & COOKING SUGGESTIONS

cubes, sliced

SERVING SUGGESTIONS

Young gouda is an excellent melting cheese, so we love to grate it into casseroles, gratins and pastas. Young and aged goudas are both super tasty on a sandwich, snack or dessert board.
