PREPARATION & COOKING SUGGESTIONS

Cook patties from frozen state for best results. Grill: Place on a preheated (350F) grill and cook until juices begin to pool. Turn pattie and continue cooking until juices run clear. Always cook ground beef products to an internal temperature of 160F.

SERVING SUGGESTIONS

Serve three in a basket with curly fries for a quick lunch entrée. Serve several in a basket with dipping sauce for a shared appetizer or meal. Serve three to four on a plate with fries for a main-menu item. Use sliders to create a sample platter of the house gourmet /specialty burgers. Serve on children's menus - for even more fun serve on a frisbee or in a small bucket. Serve a dozen individually wrapped sliders in a beach bucket for taking out to picnics or tail-gates.
