SERVING SUGGESTIONS

HAND MIXING Using a large bowl, stir together, water, oil, eggs and brownie mix until well-blended. Scale batter into prepared (lightly greased or paper-lined) sheet pan(s) and bake as directed below. Do not eat raw batter. Do not overbake. Fresh-baked brownies appear underbaked but cool to doneness. HIGH ALTITUDE (over 5,000 feet): For full batch, add 6 3/4 oz (1 1/2 cups) all-purpose flour and an additional 6 oz (3/4 cup) water. Prepare and bake as directed.

HANDLING SUGGESTIONS

This mix should perform for its intended use for 18 months in cool dry storage. Hot, humid storage may reduce shelf life. Each shipment will be properly controlled and handled to prevent adulteration as defined in the Food, Drug and Cosmetic Act (section 402).
