Atlantic Treasure®

10741751710080 - 8 OZ LOBSTER TAIL WARM WATER WILD

MARKETING

Wild caught warm water lobster tails. High yielding meat to shell ratios and firm sweet meat with great flavor makes warm water lobster tails a good choice for center of the plate seafood options. Lobster tails require minimal preparation labor and cooking times. Lobster tails command high menu prices as both food service and retail consumers continue to view lobster as a premium entree choice.
