SERVING SUGGESTIONS

Use Argo Corn Starch to thicken any dish or sauce where a clear, glossy sauce is desirable. Ideal for fruit sauces, fruit pies, clear soups and puddings. Use corn starch to make lighter crusts or pastries. Argo Corn Starch is essential for thickening sauces for Asian stir-frys or sauces. Gluten free.

PREPARATION & COOKING SUGGESTIONS

Argo Corn Starch has twice the thickening powder of flour. When making recipe substitutions, use only half the amount of corn starch compared to flour, e.g. if the recipe called for 1 cup flour, use ½ cup Argo Corn Starch. Always mix Argo Corn Starch with a cold liquid before adding to hot liquids to prevent lumping. For maximum thickening and clarity, bring a cornstarch thickened mixture to a full boil. Argo Corn Starch is gluten-free and can be a valuable tool in the kitchen for modifying recipes for customers who need gluten-free dishes.
