PREPARATION & COOKING SUGGESTIONS

Bring water to full boil in a covered saucepan. Add frozen carrots and simmer for 5 to 7 minutes. Drain and season to taste if served hot; chill in cold water and drain for salad applications.

SERVING SUGGESTIONS

Parisian carrots can be used in all the same ways you would use standard eastern carrots but they add a visual flair to any dish you use them in. Slightly sweeter than standard eastern orange carrots they also add a great burst of flavor to your dishes.
