Barber

20263 - Cheddar Barber's 1833 Print

Barber's 1833 is made using traditional starter cultures and the finest West Country milk. Aged for at least 24 months, only when one of the Barber family judges it to be outstanding does it leave the farm as 1833. A cheese with unrivalled complexity and depth, savour it as part of a cheeseboard with apples, pickled walnuts and a tankard of Somerset cider.

MARKETING

Barber's 1833 has a creamy texture and smooth finish, it contains naturally-occurring crystals that give it a distinctive crunch. Refined sweet notes balance out its tangy sharpness.
