Our Sea Best Tilapia fillets are farm-raised, processed in a BAP Certified plant and CO-enhanced to preserve their natural color. Tilapia is a mild, lean fish that is popular for its palate-friendly flavor. The neutral taste of tilapia allows accompanying flavors to infuse the flaky meat, and it adapts to the seasoning and sauces it's cooked in. Tilapia is also low in fat and calories and provides an excellent source of protein. Each Tilapia fillet is individually vacuum packed for optimal freshness and convenience.
