INGREDIENTS

Whole Eggs with Sodium Phosphate and Citric Acid (all added to preserve color), Nisin Preparation(preservative). CONTAINS: EGGS

223899 - Golden Nature Liquid Egg Mix ESL, 12/2 lb., Refrigera...

Sunny Fresh Liquid Whole Egg with Citric is a refrigerated, extended shelf life whole egg-based product with citric acid which offers both convenience and longer shelf life. Ideal for omelets, pancakes, French toast and savory scrambled eggs that cook up tender, fluffy and golden.

PREPARATION & COOKING SUGGESTIONS

Heat butter in large nonstick skillet over medium heat until hot. Pour or ladle liquid eggs into pan. Let eggs set for 15 seconds or longer. Begin pulling the cooked eggs to the center of the pan, allowing the uncooked eggs to flow to the pan edges. Continue scrambling until no visible liquid egg remains. The eggs should appear moist, fluffy and light yellow in color. Remove from heat and serve immediately.

SERVING SUGGESTIONS

Unmatched versatility for omelets, scrambled eggs, pancakes and more
