PREPARATION & COOKING SUGGESTIONS

1. Add the olive oil to the paella pan and heat on a medium-low burner. 2. Add the round rice and stir for 1-2 min. 3. Add the dry stock and mix well. Add 3 cups of lukewarm water and turn the burner up to medium high. 4. When it begins to boil, cook at medium-high heat for the first 10 min., and then reduce the heat to medium-low until the rice has absorbed all the liquid (approx. 8 min. more).

SERVING SUGGESTIONS

Optionally, to give it a personal touch, sauté some pieces squid and shrimp or add some mussels in the last 5 minutes. The heat should be evenly distributed under the entire base of the pan.
