

High Liner Foodservice Signature, 4.54 kg / 10 lb, Individually Quick Frozen Atlantic Cod Tails, approx. 113 g / 4 oz

High Liner Atlantic Cod has larger, more tender flakes and a sweeter flavour. High Liner Atlantic Cods lower moisture content makes it the better choice. Its mild, clean flavour compliments any flavour profile. Tail: this is the most economical piece of the fish. It is thinner than the centre cut and somewhat triangular in shape, the shape of a full fillet piece. This cut offers the greatest plate coverage.
