PREPARATION & COOKING SUGGESTIONS

Thaw under refrigeration, in the shipping container at 32-40°F for 36 - 48 hours. For quicker results remove product from shipping container and place on sheet pans in the cry-o-vac packaging for 16-24 hours at 32-40°F. Shelf life is 2-4 days once thawed and kept in unopened package. Cook from thawed and do not microwave thaw. Cook within 1 hour after opening package. Keep raw meat separate from cooked meat and other foods to prevent any possible cross-contamination. Diced Meat should be simmered in some type of liquid (beef broth, water, red wine sauce, etc.) on the stove for at least 1 hour or until preferred tenderness is reached.

SERVING SUGGESTIONS

Extremely versatile, with applications for breakfast, lunch, and supper! As stir fry, stroganoff, beef & noodles, and beef & peppers. Also try them in soups, stews, chili, goulash, and risottos. Use in pot pies or shepherd pies. Cook in an omelet. Serve in fajitas, burritos, quesadillas, pitas, or gyros. Add to a salad for a specialty entrée salad. Serve with caramelized onions or sautéed mushrooms. Season and cook with vegetables for stir-fry. Serve over noodles or dumplings, or on a bed of rice. Mix in with pasta. Your imagination is the limit!
