PREPARATION & COOKING SUGGESTIONS

To optimize cheese quality, keep cheese cold (32°-40°F) and wrapped in wax paper. Re-wrapping soft-ripened cheese in wax or parchment paper will allow the cheese to breathe as it continues to ripen. Remove your cheese from the refrigerator at least one hour before serving.

SERVING SUGGESTIONS

Serve for a cheese course, cheese board, dessert, appetizer, or hors d'oeuvre. Drizzle with honey and serve with prosciutto, tart apple, and Marcona almonds. Crumble atop mixed baby greens with a vinaigrette and roasted beets. Create Humboldt Fog Brûlée by sprinkling turbinado sugar on the face of a wedge and heating with culinary torch to create a sweet and crispy, flan-like crust.
