

# 14086 - Halloumi Cuts

Halloumi is a famous cheese made in Cyprus, and is unique because it does not melt or soften when it is heated. Instead, it develops delicious toasted patches and remains firm so it can be eaten by the slice. Traditional Halloumi is made from a blend of sheep and goat's milk which ensures a fuller, more complex flavor. Halloumi is an amazing alternative to burgers at your next ...

## MARKETING

Halloumi is a fresh Greek cheese made in Cyprus. Using a blend of sheep and goat's milk, this classic grilling cheese does not melt or soften when heated. Instead, it develops delicious, toasted patches and remains firm so it can be eaten by the slice.

### PREPARATION & COOKING SUGGESTIONS

Sliced to Desired Thickness

### SERVING SUGGESTIONS

Try Halloumi grilled, pan-fried, or thinly sliced. Layer in salads or use in place of mozzarella in a caprese salad. Halloumi is an amazing alternative to burgers at your next cookout, or can be served as an appetizer, grilled and sliced with fresh tomatoes and a drizzling of olive oil. Expect an intense, briny flavor that can be offset by a drizzling of honey.
