The tortilla is produced with minimal preservatives but still has a twenty eight (28) day shelf life. The items can be stored in a dry area with temperature...

PREPARATION & COOKING SUGGESTIONS

Simply heat a pan that is larger than the diameter of your tortillas over medium to medium high heat. There is no need to oil the pan, or even spray it with nonstick spray. When the pan is hot, place the tortilla directly into the pan, and heat for about 45 seconds, until the bottom is browned in spots

SERVING SUGGESTIONS

Use 12 inch tortilla and fill it with shredded chicken, refried beans, cheese, salsa, and spices, rolled up like a burrito, and then pan-fried or baked. Served topped with sour cream, guacamole, and salsa.
