PREPARATION & COOKING SUGGESTIONS

Use tangy Cabot Cheddar fresh from the frig... tucked into a sandwich, grated up and tossed into a salad, or cut into cubes for an appetizer. Or magnify the flavor by melting it into soup, over pizza, or throughout a dish of mac and cheese.

SERVING SUGGESTIONS

Classic or flavored Cabot Cheddars have a complexity that makes them delicious all on their own as a snack or hors d'oeuvre. They also pair perfectly with a wide array of foods, from savory smoked nuts and meats to sweet fruits like grapes and apples. <http://www.cabotcheese.coop/cheddar>
