MARKETING

We recommend trying with everything for starters, it pairs perfectly with red meat, chicken, fish and egg dishes. Use a little (or a lot) to top off a plate or add directly into recipes for a bold flavor enhancement. Crafted from a secret blend of specially-selected peppers, fermented to perfection, balanced by vinegary-tang makes this one unforgettable hot sauce. Texas Pete is a North Carolina-based, family-owned and operated company that started in 1929. Today it's run by 3rd and 4th generation Garner family members. Texas Pete products are known for having bold, balanced flavor with just the right amount of heat.
