PREPARATION & COOKING SUGGESTIONS

Take the butter out of the refrigerator at least 30 minutes before serving. It will be easier to spread the butter on a slice of bread if using a special butter knife (round edge).

SERVING SUGGESTIONS

Cook's tip: Beurre Charentes-Poitou melts more slowly than other butter, so it is perfect for pastry-making. Its inherent qualities make it the butter of choice for puff pastry, croissants and cakes. France's bakers and pastry chefs can't be wrong! You can also use it on bread, for cooking and pastries. Avoid cooking over high heat. DIET : suit the vegetarian diets? Yes
