

504365 - Manzanilla Olives

The classic Spanish olive, found at restaurants and olive stands throughout the country, Manzanilla olives are grown near Seville, where the hot, dry summers and cold winters produce a large, firm fruit with a delicate and slightly bitter taste. No one knows when the Manzanilla trees were first planted here, but over generations farmers have learned to pick the olives in August...

MARKETING

Bite into these meaty green olives and you will taste what a true Manzanilla olive should be. These large, crisp olives are perfectly brined with just enough salt to let the full olive flavor shine through. Serve these olives chilled with a glass of dry sherry or your favorite white wine.
