

34051 - Willoughby

Willoughby is an original creation of Marisa Mauro's Ploughgate Creamery, a Cellars collaborator that ceased production of the cheese after a creamery fire in 2011. With Marisa's blessing we resurrected this pudgy little washed-rind and have continued to develop the recipe at Jasper Hill Creamery. This succulent and buttery washed-rind cheese has aromas of peat, roasted beef and onions with subtle milky, herbal, ripe-peach flavors within. It has a thin, tender, rosy-orange rind, which adds earthy dimension to the texture and flavors of the gooey interior.

PREPARATION & COOKING SUGGESTIONS

Remove from chill 45min before eating, place on cheese board and spread creamy slices on a warm crusty baguette. Also great baked in the oven in a small crock with onion jam.

SERVING SUGGESTIONS

PAIRING AND SERVICE - Willoughby's small format is ideal for selling whole on the retail counter, or quickly rotating through a professional kitchen. The pudding-like texture may become softer with age, but should remain sliceable for portioning until 9 weeks after its production date. Pair with juicy rose, funky saison beer or raw floral honey.
