

956201 - Croissant Square

Not all bakeries are created equal. Vastly different products require different equipment, ingredients, and expertise, so the best artisan bakeries tend to operate within a niche. That specialization is part of what makes their products great. But that leaves kitchen managers, culinary teams, and purchasing agents having to deal with many different bakeries to source everything...

MARKETING

Sliced square croissant. Great for breakfast sandwich or lunch type items. Pair with eggs, tuna salad, chicken salad, ham/cheese, turkey cheese. Cream cheese also would pair nicely.
