

# 561586 - SUPER BANANA BREAD SLICE INDIVIDUALLY WRAPPED

Thick slices of moist banana bread made with whole grain. Better than my mom's, and I'm not just saying that! Try it, compare it, you will love ours more. I know it. Try warming it just slightly. You can add cream cheese or butter if that's how you like it, but it's perfect just as it is. Want to get fancy? Try making french toast with it!
