PREPARATION & COOKING SUGGESTIONS

Simply heat a pan that is larger than the diameter of your tortillas over medium to medium high heat. There is no need to oil the pan, or even spray it with nonstick spray. When the pan is hot, place the tortilla directly into the pan, and heat for about 45 seconds, until the bottom is browned in spots

SERVING SUGGESTIONS

Use 8 inch tortilla and fill it with shredded chicken, refried beans, cheese, salsa, and spices, rolled up like a burrito, and then pan-fried or baked. Served topped with sour cream, guacamole, and salsa.
