Produced by cold pressing organic olives grown and harvested without using pesticides or herbicides

MARKETING

Colavita Organic Extra Virgin Olive Oil has a mild flavor and smooth, velvety texture. Cold production olive oils are obtained in a natural process that does not rely on thermal or chemical refinement. The result is a premium, unrefined oil that's perfect for all culinary applications. Imported from Italy, our Organic Extra Virgin Olive Oil is USDA Certified Organic, indicating only organically produced olives have been used in its production. It also bears the North American Olive Oil Association (NAOOA) Quality Seal, which means it has been tested for both quality and authenticity according to the International Olive Council (IOC) standards.
