## HANDLING SUGGESTIONS

To maintain the premium quality of your Wagyu beef, store it in the refrigerator at temperatures below 40°F (4°C) and use within three days of purchase. For longer storage, wrap the beef tightly in plastic wrap and freeze at 0°F (-18°C) for up to 3 months.

## 339350 - Beef Tenderloin BMS 8-9 Wagyu

Muse Wagyu's Tenderloin, with a Beef Marbling Score of 8-9, is a superior selection from full-blood Australian Wagyu cattle, known for their pure lineage and exceptional beef quality. This cut epitomizes luxury, offering a silky texture and profound flavors that are rich yet refined. Halal.

### PREPARATION & COOKING SUGGESTIONS

Heat a heavy skillet over high heat and add a small amount of high-smoke-point oil. Once hot, sear the tenderloin for about 2-3 minutes on each side for medium-rare. Resting: Let the tenderloin rest for at least 5 minutes after cooking. This allows the juices to redistribute throughout the meat, ensuring a moist and tender bite.

### SERVING SUGGESTIONS

For an unforgettable dining experience, serve the Muse 8-9 Tenderloin Australian Wagyu lightly seasoned with sea salt and freshly ground black pepper to enhance its natural flavors. Cook to a perfect medium-rare over a high heat to sear the exterior while keeping the inside tender and juicy. Complement with a side of roasted root vegetables and a glass of bold red wine for a meal that truly celebrates the luxurious qualities of this exquisite beef.
