

Empress

537813 - Empress™ Clear PET Cups

Made from an extremely clear, durable and tough material. PET is an odor and flavor resistant thermoplastic resin, meaning they will maintain the original flavor and aroma of food and beverages placed in them. PET cups are freeze, heat and crack-resistant, which helps make them one of the most popular plastic materials in the market.

MARKETING

These Empress 32oz PET clear cups are durable and crack resistant. PET is designed to maintain the original flavor and aroma of the contents inside, making these cups an ideal choice to hold a variety of different types of beverages and other food.
