

927871 - 21" white spunbonded polypropylene bouffant cap, hand...

Constructed of a spunbond polypropylene fabric the bouffant caps are lightweight and highly breathable. They offer your basic protection against dirt, dust and minute particles. The hand sewn flat pack style is economical for shipping and storage.

MARKETING

Designed to wear in an area where it is necessary to prevent minute particles from contaminating the environment.

HANDLING SUGGESTIONS

Store in a dry place.
