135450 - Le Petit Brie Wheel

Made with pasteurized, hormone-free cow's milk, BrieLePetit successfully recaptures the stronger and more traditional earthy flavor of a raw milk Brie. Its bold taste comes from an original recipe that uses special ferments to replicate a genuine raw-milk taste. However LePetit is fully pasteurized and therefore 100% compliant. At its peak, Brie LePetit is very creamy and has a savo...

MARKETING

Made with pasteurized, hormone-free cow's milk, Brie LePetit recaptures the stronger and more traditional earthy flavor of a raw milk Brie. However LePetit is fully pasteurized. At its peak, Brie LePetit is very creamy and has a savory flavor and a long-lingering, rich aftertaste.
