

543610 - Greenware 9x9 In. 1-Compartment Hinged Takeout Food C...

Greenware Containers are made with a wheat straw and wood fiber blend. Wheat straw is an annually-renewable resource that is leftover after the grain is harvested each year. There is no disruption to the food chain when using products made from wheat straw. All wheat straw resources are farmed close to our manufacturing facility, reducing transportation emissions and environmen...

MARKETING

9x9 in. Single Compartment Hinged Takeout Containers. Naturally durable to hold wet and heavy foods. Single compartment with hinged lid for ease of consumer use. Space-saving, stackable design. Double-tab closure stays closed during transport. Waffle-board bottom helps keep food fresh. Superior grease and liquid holdout. Domestically grown, harvested and manufactured materials. Made from renewable resources
